THANKS JIMMA!

Oh wow, I loved your tiny lunch boxes! To an untrained eye you might look tiny, but inside of you lives such an amazingly great and huge personality, that is so positive, humble, loving and hardworking, who never gives up. Any company will be lucky to have you!

Jimma you are such a sweet person, caring and loving which I have appreciated so much. You have made me feel safe which has meant a lot :)

Hard worker with high goals!

Så kul att lära känna dig och jobba med dig i grupparbetena! Du är en väldigt inkännande person.

Kind hearted and generous, you inspire me with your drive and focus.

Caring, always positive and smiling!

Glad och härlig, givmild och har ett härligt skratt

***Love the positivity
you bring to the Boot
camp.***

You are so sweet and always wants to make sure to say hello to everyone and to make everyone feel nice!

Stort tack för den här tiden Jimma och lycka till framåt!
